The Nursing Home Checklist

Immediate Need

		Use this list if there is an immediate need for a nursing home bed (for example the family member is in	a hospital for discharge)	
Yes	No	Basic Information	Comments	
		Is the nursing home Medicare-certified?		
		Is the nursing home Medicaid-certified?		
		Does the nursing home have a current license from the state?		
		Is the latest state survey available for review?		
		Has the nursing home corrected all deficiencies (failure to meet one or more state or Federal requirements) on its last inspection report?		
		Does the nursing home administrator have a current license from the state?		
		Is the location convenient for friends and family to visit?		
_	_	Ask questions about the specific therapy your loved one needs (most common services used are: physical, occupational, speech/language therapy)		
Ц		Does the nursing home have the level of care/services needed for this individual?		
	Ш	Does the nursing home have a bed available?		
		Does the nursing home offer rehabilitation services needed (physical therapy, speech or occupational therapy).		
		If needed, does the nursing home offer specialized services, such as a special unit for care for a resident with dementia or Alzheimer's care, or other specialty services?		
		How long has the physical therapist (or insert service needed) been licensed to practice?		
		How long has the physical therapist (or insert service needed) been employed in this nursing home?		
		How often is the physical therapy (or insert service needed) department open?		
		Will my loved one be offered individualized or group therapy sessions? (or insert		
		service needed)
